

The Society for Scientific Exploration invites you to discover

**EMERGING PARADIGMS AT THE FRONTIERS OF CONSCIOUSNESS
& UFO RESEARCH**

**June 25 - 28, 2008 in the beautiful foothills of the Rocky Mountains
Boulder, Colorado.**

The Society for Scientific Exploration (SSE) is an international multi-disciplinary professional organization of scientists and other scholars committed to the rigorous study of unusual and unexplained phenomena that cross traditional scientific boundaries and may be ignored or inadequately studied within mainstream science.

Join us for the 27th SSE Annual Conference with the following eminent speakers

Physics and Consciousness

Dr. Bernie Haisch: The fine Tuning of Laws and Constants of the Universe: Two Explanations

Dr. Claude Swanson: The Common Elements of Parapsychology and UFO Experiences

Satya Dev Negi (representative of the Dalai Lama): Implications of Buddhism on Consciousness Research

Experiments on Consciousness

Prof. Todd L. Richards: Functional Magnetic Resonance Imaging and Electroencephalographic Evidence of Correlated Brain Signals Between Physically and Sensory Isolated Events

Dr. Dean Radin: Evidence of Correlated Brain Signals between Physically and Sensory Isolated Events

Paul Smith: Why ESP is Consciousness' Only Hope

UFOs and Extraterrestrial Life

Dr. Paul Hellyer (former Canadian Secretary of Defence): on the topic UFOs.

Patrick Skipper: New Strong Evidence of Current Surface Water and Life on Mars and its Implications

Dr. Robert Wood: Evaluation of Two Original Paper-Leaked UFO Documents

To include Call for Papers on diverse anomalistic topics

The Millenium Harvest House is located at the edge of the magnificent foothills of the Rocky Mountains and within short walking distance of Boulder's rich combination of amenities such as restaurants, art galleries, the famous Dushanbe Teahouse, and bookshops. A list of day activities is available for accompanying spouses or friends (for example: Celestial Seasoning visit, National Center for Atmospheric Research, Sommers Bausch Planetarium, historic walking tour of Boulder).

Arrive on Wednesday June 25 for the 6pm Welcoming Reception.

The conference days are full days and on Friday afternoon, a recreational excursion is scheduled to nearby Eldorado Canyon. The conference will close with an evening banquet on Saturday evening.

Registration Fee: \$170 Students: \$80

Hotel room: \$99

Saturday evening banquet: \$50
