Aspiring Explorers Prize Application

Name: _____

University: _____

Program: _____

Expected Graduation Date: _____

Title of Conference Submission:

How did you find out about the SSE and decide to apply for this prize?

What is your career objective?

What is your specific interest in anomalies research?

If you could choose a mentor (living or deceased) for edge science topics, who would it be and what would you ask them?

Why should your abstract be selected for this SSE conference?
